Interlocking: This 3ft. x 4ft. version interlocks to create long runners, making it ideal for assembly lines, or long retail counters. The 4 foot long mat can be interlocked infinitely, and finished off with the end pieces.

Bubble-Top Surface: The bubble-top surface, in combination with the high coefficient of friction found in Natural Rubber, offers extra traction in areas where light moisture may be present. This is an ideal mat for any anti-fatigue application that requires a comfortable and durable mat. The Bubble-Top will outlast foam and sponge products.

Cleaning: Since this product offers moderate chemical resistance, it can be cleaned with most common household cleaners. Strong, highly caustic cleaning solutions are not recommended.

Beveled Edges: The Bubble Top mat contains beveled edges along its perimeter making this mat perfect for cart and wheeled equipment access.
