

Description: Honey combed drainage mat with excellent anti-fatigue qualities. The holes in the mats provide excellent drainage, allowing liquid and debris to pass through, providing anti-slip protection. Natural rubber is used in producing these mats to provide excellent flexibility and durability.

Material: Black: Natural Rubber
Red: Natural Rubber & Nitrile

Thickness: 1/2 inch

Sizes: 36 inch x 5ft, 20 lbs.

Hardness: [ASTM D 2240] 55 +/-5 Shore A

Compression: [ASTM D 395] 85%

Tensile Strength: [ASTM D 412] 3.48 MPa

Elongation: [ASTM D 412] 350%

Abrasion: [DIN 53516] 276 mm³

Specific Gravity: [ASTM D 1298] 1.34-1.52

Tear Strength: [ASTM D 624] 31 Nmm-1

Available Colors: Black and Red

Applications: Aerospace, Anti-Fatigue, Assembly Lines, Automotive, Bars, Bathrooms, Butcher, Car Washes, Cashier Stands, Cruise Ships, Culinary Schools, Drainage, Fast Food, Packaging, Flower Shops, Food Preparation, Guard Stands, Grease Resistant, Ice Skating Rinks, Kennel Liners, Kitchens, Laundry Rooms, Locker Rooms, Marine Flooring, Manufacturing, Pool Areas, Restaurants, Screen-Printing, Sheds, Showers, Skating Rinks, Slip Resistance, Spas, Veterinarian, Warehouses, Washrooms, Waste Management, Workstations, Zoos.

Cost Effective: A thinner version of the 7/8 inch Dura-Chef mats, without compromising safety or comfort. This product is priced to be affordable for smaller institutions like cafes and delis, which do not see the wear and tear of larger commercial kitchens.

Lightweight: A 3ft x 5ft weighs only 20 lbs, which is easily handled and cleaned by any employee. This mat offers excellent comfort and abrasion resistance.

Beveled Edges: A one-piece molded mat with beveled edges on all four sides make this mat easy for cart and wheeled equipment access.

Grease resistance: Dura-Chef (Red) has high contents of the elastomer Nitrile, which has excellent resistance to all oils and grease products and possesses excellent abrasion resistance.

Availability: 36 inch x 5ft size is generally in stock.
