**Installation:** This version of the Dura-Chef is an interlocking mat and is easily installed by anyone.

**Safety:** The 5/8 inch Dura-Chef offers excellent traction even when the surface of the mat is moist. The drainage holes trap dust, dirt, liquids and grease beneath the surface of the mat to prevent slips. The mat ensures safe footing, maximizing worker productivity and reducing the risk of injury.

**Lightweight:** Its lightweight allows for removal and cleaning by almost anyone (18 lbs. per mat).

**Grease Resistance:** Dura-Chef (Red) has high contents of the elastomer Nitrile, which has excellent resistance to all oils and grease products and possesses excellent abrasion resistance.

**Cleaning:** This mat can be cleaned with most common household or commercial cleaners. Strong, highly caustic cleaning solutions (e.g. bleach) are not recommended.

**Availability:** Both colors of this mat are stocked in large quantities and ship within 24 hours.
