

**Description:** Honey combed drainage mat with excellent anti-fatigue qualities. The holes in the mats provide excellent drainage, allowing liquid and debris to pass through, providing anti-slip protection. Natural rubber is used in producing these mats to provide excellent flexibility and durability.

**Material:** Black: Natural Rubber  
Red: Natural Rubber & Nitrile

**Thickness:** 7/8 inch

**Sizes:** 38.5 inch x 58.25 inch, 40 lbs

**Hardness:** [ASTM D 2240] 55 +/-5 Shore A

**Compression:** [ASTM D 395] 85%

**Tensile Strength:** [ASTM D 412] 3.48 MPa

**Elongation:** [ASTM D 412] 350%

**Abrasion:** [DIN 53516] 276 mm3

**Specific Gravity:** [ASTM D 1298] 1.34-1.52

**Tear Strength:** [ASTM D 624] 31 Nmm-1

**Available Colors:** Black and Red

**Applications:** Aerospace, Anti-Fatigue, Assembly Lines, Automotive, Bars, Bathrooms, Butcher, Car Washes, Cashier Stands, Cruise Ships, Culinary Schools, Drainage, Fast Food, Packaging, Flower Shops, Food Preparation, Guard Stands, Grease Resistant, Ice Skating Rinks, Kennel Liners, Kitchens, Laundry Rooms, Locker Rooms, Marine Apps, Manufacturing, Pool Areas, Restaurants, Screen-Printing, Sheds, Showers, Skating Rinks, Slip Resistance, Spas, Veterinarian, Warehouses, Washrooms, Waste Management, Workstations, Zoos.

**Installation:** Dura-Chef (7/8 inch) can be interlocked with a rubber connector.

**Safety:** The 7/8 inch Dura-Chef offers excellent traction even when the surface of the mat is moist. The large drainage holes trap dust, dirt, liquids and grease beneath the surface of the mat to prevent slips. The mat ensures safe footing, maximizing worker productivity and reducing the risk of injury.

**Comfort:** The 7/8 inch thick resilient and soft cushioned rubber doubles as an anti-fatigue mat. This very comfortable mat is ideal for areas requiring long periods of standing, making for happy and effective employees.

**Reversible:** This mat is fully reversible which prolongs the life-cycle of the product.

**Grease Resistance:** Dura-Chef (Red) has high contents of the elastomer Nitrile, which has excellent resistance to all oils and grease products and possesses excellent abrasion resistance.

**Availability:** All sizes of the 7/8 inch Dura-Chef are generally in stock and can be shipped within 24 hours.

**Connectors:** Rubber connectors allow multiple mats to be interlocked, keeping the product in place for safety and aesthetics.

Mat Size	1-9 units	10-24 units	25-99 units	100+ units	In stock
