**Unmatched Durability:** This tough, heavy-duty rubber mat will outlast the meanest consumers and most abrasive environments. The aptly named Maxx-Tuff is designed to protect floors from wear & tear of commercial or industrial foot traffic and equipment. Just under ½ inch thick this durable but attractive mat will perform and shine in any setting.

**Tough & Resilient:** The resilient qualities of rubber are maximized due the bottom texture of the Maxx-Tuff. Each mat is fabricated with a diamond pattern subsurface, which enhances comfort qualities of the rubber mat. The honeycomb top surface has a classic appeal with intrinsic traction qualities.

**Modern Design:** This modern sleek low profile and non-directional look makes the Maxx-Tuff not just another durable choice in rubber flooring, it also has a pretty face.

**Installations:** This product is generally heavy enough where its own weight will keep the mat on the ground.

**Cleaning:** Being that this product offers moderate chemical resistance, it can be cleaned with most common household cleaners. Strong, highly caustic cleaning solutions are not recommended. For indoor use, mopping the product is ideal. Outdoors, either a hose or a broom is the best cleaning method.

**Availability:** The Maxx-Tuff is always in stock, and will generally ship the same day.
