

Description: This carpet area rug is made with a 100% rubber back and a polypropylene top surface. It is specifically designed as anti-slip, doormat, and entry scraper, to remove dirt and moisture from incoming foot-traffic. This mat will serve to protect existing flooring from heavy wear and damage. In addition, this floor mat increases traction and will act as a safety floor in risk areas.

Material: Rubber backing made from natural, reclaimed, and recycled rubbers topped with a Polypropylene carpet filament.

Sizes : 16" x 24" -- 3lbs
18" x 30" -- 4lbs
24" x 36" -- 7lbs
35" x 59" -- 16lbs
47" x 71" -- 46lbs

Weight: Approximately 1.1 lbs per square ft.

Available Colors: Blue, Brown, Charcoal, Tan.

Sustainable: The rubber backing of this product is made from natural, reclaimed, and recycled rubbers. Natural rubber being derived from the rubber tree is a sustainable and eco-conscious rubber product. In addition, the fact that recycled and reclaimed rubber products are eco-friendly is self-evident.

Purpose: This pleasing entry area mat is an excellent way to keep moisture, debris, and dirt from deteriorating indoor floors. The Nottingham carpet mat is great for geographic locations that experience extended rain and snow. By keeping indoor floor free of wet and dirty particles, this mat helps increase safety, reduce cleaning costs, and maximize the life of your indoor flooring. This mat is available in 4 vibrant colors to match any décor.

Raised Perimeter: The raised edge also helps keep excess fluids on the surface of the mat. Since the 100% rubber backing is moisture resistant, any liquids that are gathered on the surface will not make their way down below.

Applications: Apartments, Break Rooms, Corridors, Entryways, Hallways, Homes, Hotels, Hospitals, Outdoor Paths, Lobbies, Office Matting, Restaurants, Shopping Centers, Traction Mat, Walkways, Wet Areas.

Affordable: The Nottingham is affordable mat for any reason and any season!
