

Description: The Traction Mat is a 3/8 inch thick, 100% Nitrile, made from premium grade rubber with drainage holes and a raised bar-design providing excellent traction. The Traction Mat's non-slip traction surface cuts down on slipping accidents while the natural resilience of rubber reduces damage to dropped objects. Nitrile has excellent resistance to most industrial or commercial oils and grease products. Hence this uniquely 100% Nitrile mat will exhibit excellent durability in all industrial and commercial locations.
