

**Description:** The ultimate in rubber flooring comfort, aesthetics, and appeal! The 16mm thick rubber tiles which span 9 square feet (3ft. by 3ft.) make this interlocking rubber tile the easiest to install, the most comfortable, and the most seamless look of any rubber flooring product. Compare the finish and the feel to any rubber flooring roll or rubber interlocking tile, and you will see why we are so inspired. Hence the reason we call it a "Revolution" in rubber flooring! It should also be noted that this eco-friendly rubber tile is made from natural rubber (e.g. tree derived), reclaimed and recycled rubber.
