

Bubble-Top

Specifications

August 2021

Description:

Bubble-Top is a superior anti-fatigue rubber mat with beveled perimeters to help visually define the mat. This increases safety and reduces trip hazards while also being an extremely durable and comfortable floor mat. The mat has a bubble, or dome cell, structure that traps air in the subsurface and offers bounce back support which makes it a comfortable surface to stand-on. Bubble-Top is available in finished 2ft. x 3ft. and 3ft. x 4ft. size.

Material

Natural Rubber and Reclaimed Rubber

Thickness:

5/8"-inch

Sizes:

3ft x 2ft Finished Piece, 11lbs.

3ft x 4ft Finished Piece, 23lbs.

Hardness:

55 +/-5 Shore A [ASTM D 2240]

Applications:

Aerospace, Anti-Fatigue Mat, Anti-Slip Mats, Assembly Lines, Automotive, Bars Mats, Basements, Bathrooms, Butcher, Boat Deck Mats, Car Washes, Cashier Stands, Chef Mat, Cruise Ships, Cushion Mat, Drainage, Eco-Flooring, Fast Food, Garage Mat, Packaging, Flower Shops, Food Preparation, Guard Stands, Ice Skating Rinks, Industrial Mat, Kitchen Mat, Laundry Rooms, Manufacturing, Outdoor Mats, Padded Mats, Protective Mat, Restaurants, Safety Mats, Slip Resistant Mats, Shop Mat, Soft Mat, Veterinarian, Warehouses, Washrooms, Workstations, Workbench Mat, Zoos.

Bubble-Top Surface:

The bubble-top surface in combination with the high coefficient of friction found in Natural Rubber offers extra traction in areas where light moisture may be present. This is an ideal mat for any anti-fatigue application that requires comfortable, durable, and non-slip matting. Indoor kitchens or outdoor valet stands can both benefit from this ultra durable mat and can count on it being an excellent safety choice.

Bubble-Top will outlast all competing foam and sponge products.

Cleaning:

Since these rubber floor mats offer moderate chemical resistance, it can be cleaned with most mild household cleaners. Strong, highly caustic cleaning solutions (e.g. bleach) are not recommended. An easy and effective way to clean this mat is by hosing it off with water!

Beveled Edges:

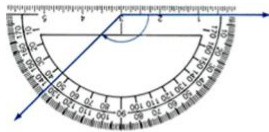

This rubber mat has beveled edges on all four sides which makes this mat perfect for cart and wheeled equipment access.

Availability:

Both sizes are in stock in large quantities and ship within 24 hours of placing an order.

California Prop 65:
