

# Nottingham Carpet Mat

Specifications

August 2021

Description:

This carpet mat is made with a 100% rubber back and a polypropylene top surface. It is specifically designed as a non-slip floor mat and entry rug to remove dirt and moisture from incoming foot-traffic. This very affordable carpet mat will serve to protect existing flooring from heavy use and damage. Additionally, the Nottingham increases traction and will act as safety flooring in high risk areas.

Material

Rubber backing made from natural and reclaimed rubbers topped with a polypropylene carpet filament.

Sizes

16" x 24" -- 3lbs  
18" x 30" -- 4lbs  
24" x 36" -- 7lbs  
35" x 59" -- 16lbs  
47" x 71" -- 23lbs

Weight:

Approximately 1.1 lbs per square ft.

Available Colors:

Blue, Brown, Charcoal, Gray, Tan.

Sustainable:

The rubber backing of this product is made from natural and reclaimed rubbers. Natural rubber being derived from the "Para" rubber tree is a sustainable and eco-conscious rubber product. In addition, reclaimed rubber products are also eco-friendly since they are made from old rubber products like waste tires. Over 80% of the total weighted material used in the construction of this product is from sustainable and reusable sources!

Applications:

Anti-Skid Mat, Apartments, Break Rooms, Corridors, Entryways, Hallways, Homes, Hotels, Hospitals, Outdoor Paths, Lobbies, Non-Slip Mats, Office Matting, Restaurants, Shopping Centers, Safety Matting, Traction Mat, Walkways, Wet Areas.

Purpose:

This appealing entrance matting is an excellent way to keep moisture, debris, and dirt from deteriorating indoor flooring. The Nottingham carpet mat is great for geographic locations that experience extended periods of rain and snow. By helping to keep indoor floors free of wet and dirty particles this mat helps increase safety, reduces cleaning costs, and maximizes the life of your indoor flooring. It is available in 4 vibrant colors to match any décor.

Raised Perimeter:

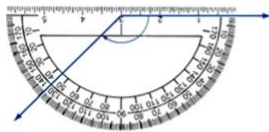

The raised edge helps to keep excess fluids on the surface of the rubber backed mat. Since the 100% rubber backing is moisture resistant, any liquids that are gathered on the surface will not make their way down below.

Affordable:

Compare the cost of this mat to any "rubber backed carpet mat" on the market and you will find that the Nottingham is an affordable mat for any reason and any season!

California Prop 65:

 **WARNING:** Cancer and Reproductive Harm -
