

Wellington Carpet Mat

Specifications
August 2021

Description:

This 100% rubber backed polypropylene mat is designed for use as a welcome mat, entryway scraper, or indoor door mat. It is specifically designed to scrape, absorb moisture, and reduce hazards of slipping. The Wellington is an affordable and cost-effective insurance for any permanently installed flooring investment.

Material

Rubber backing made from natural, reclaimed, and recycled rubbers topped with a polypropylene carpet filament.

Sizes

16" x 24" -- 3lbs
18" x 30" -- 4lbs
24" x 36" -- 7lbs
35" x 59" -- 16lbs
47" x 71" -- 23lbs

Weight:

Approximately 1.1 lbs per square ft.

Available Colors:

Blue, Brown, Charcoal, Gray, Tan.

Eco-Friendly:

Natural rubber is a vital agricultural commodity. Its production from the rubber tree (*Hevea brasiliensis*) plays a major role in the socio-economic fabric of many developing countries. Over 20 million families are dependent on rubber cultivation as their basic source of income. Small growers, including many with holdings of 5 acres or less, are dependent upon Hevea for their livelihood in countries like India, Sri Lanka, Malaysia, Indonesia, Pakistan, and Brazil.

Beveled Rubber Edge:

The raised rubber edge helps to keep moisture on the surface of the mat. Excess snow and ice will stay on the surface of the mat, since the 100% rubber backing is moisture resistant and any liquids that are gathered on the surface will not make their way down below. This fact cannot be overlooked, especially during wet winters!

Purpose:

The Wellington Carpet Mat is perfect for any residential or commercial entryways. It is great for areas that experience rain and snow conditions and need entry mats to keep dirt and debris away from building interiors. This non-slip mat is perfect for high foot traffic areas during all weather conditions. The solution-dyed fibers are long wearing and will not fade or discolor!

Applications:

Apartments, Anti-Slip Matting, Break Rooms, Corridors, Entryways, Grip Floor Matting, Hallways, Homes, Hotels, Hospitals, Inside Doormats, Outdoor Matting, Lobbies, Non-Skid Mat, Office Matting, Restaurants, Rubber Backed Mats, Shopping Centers, Traction Mat, Walkways, Welcome Doormat, Wet Areas.
