

# Coin-Grip

Specifications  
August 2021

<u>Description:</u>	A coin or circle top textured PVC flooring that is designed for added traction and appeal to modern aesthetic sensibilities. This PVC roll product is available in seamless lengths up to 50ft. Coin PVC flooring rolls have a modern/industrial aesthetic which not available in any other flooring option. Unlike similar products, whose costs overwhelm budgets, Coin-Grip is a sensible option with an excellent lifecycle. This product is recommended for use in a variety of applications such as for gyms or fitness centers, garage coverings, basements, kennels, trailers, boats, or industrial flooring.
<u>Material:</u>	PVC

<u>Excellent Traction:</u>	This PVC coin flooring offers excellent traction through its PVC coin-top or stud protrusions. The naturally high coefficient of friction found in this PVC floor adds to the grip and reduces the risk of falls. The embossed coin pattern is designed for medium to high traffic areas where added traction is needed, which is ensured by the raised studded surface.
<u>Modern Design:</u>	This modern, sleek, low profile, and non-directional look makes Coin-Grip an excellent choice in PVC flooring options. In commercial applications where surface traction from a multi-directional and easy to install flooring is required Coin-Grip PVC flooring is an excellent aesthetic choice. This product is ideal for offices, art studios, basements, and elevators.
<u>Temporary Installations:</u>	For temporary type fixtures this product can easily be installed with a double-sided carpet tape; this makes the product ideal for any DIY or residential applications. The ease of installation does away with the need for installers or adhesives. This, in addition to the availability of custom lengths, allows consumers to buy this PVC floor in a cost-effective manner!
<u>Textured Base:</u>	The textured-base finish adds subsurface traction and keeps the PVC runner's bottom surface secured to the floor even when adhesives are not present. The textured sub-surface also enhances the PVC's grip to any two-sided tape used.
<u>Permanent installations:</u>	Coin-Grip PVC Flooring can be permanently adhered to a hard subsurface using BASF Chemrex® CX-941 Adhesive.
<u>Custom Cuts:</u>	The coin pattern flooring can be purchased in any length up to 50 continuous feet in half-foot increments. Being a 2mm thick PVC flooring roll means it can easily be cut using a sharp utility knife on location to meet any dimensional requirements.
<u>Cleaning:</u>	Since this PVC floor offers moderate chemical resistance, it can be cleaned with most mild common household cleaners. Strong, caustic cleaning solutions (e.g. bleach) are not recommended.
<u>Availability</u>	Coin-Grip flooring is always in stock, and will generally ship the same day (please allow 24-48 hours for custom cut lengths).
<u>California Prop 65:</u>	 <b>WARNING: Cancer and Reproductive Harm -</b> <a href="http://www.P65Warnings.ca.gov">www.P65Warnings.ca.gov</a> .
