

Dura-Chef (1/2")

Specifications
August 2021

Description:

This is a traditional honey combed drainage mat with excellent anti-fatigue qualities. The holes in the mat provide excellent drainage allowing liquid and debris to pass through. This makes it an excellent non-slip flooring option and, as a commercial kitchen mat, this feature allows work to continue even when spills occur! Natural rubber is used in producing this mat and provides excellent flexibility and durability.

Material

Natural Rubber

Thickness:

1/2"-inch

Sizes:

3ft x 5ft.

Weight:

20 lbs.

Hardness: [ASTM D 2240]

55 +/-5 Shore A

Available Colors:

Black and Red

Applications:

Aerospace, Anti-Fatigue Mat, Anti-Slip Flooring, Assembly Lines, Automotive, Bar Mats, Bathrooms, Butcher Shops, Car Washes, Cashier Stands, Chef Mats, Comfort Mat, Cruise Ships, Cushioned Work Floor Mats, Culinary Schools, Drainage Mat, Fast Food, Packaging, Flower Shops, Food Preparation, Guard Stands, Ice Skating Rinks, Industrial Rubber Mats, Kitchen Anti-Fatigue Mats, Laundry Rooms, Locker Rooms, Marine Flooring, Manufacturing, Natural Flooring, Non-Skid Mats, Padded Mat, Pool Areas, Protective Floor, Restaurants, Rubber Kennel Mat, Sheds, Showers, Slip Resistance, Spas, Soft Flooring, Thick Mats, Veterinarian, Warehouses, Washrooms, Waste Management, Workbench Mat, Zoos.

Cost Effective:

These mats are a thinner version of the 7/8 inch Dura-Chef mats but do not compromise safety or comfort. This product is priced to be affordable for smaller institutions, like cafes and delis, which do not see the wear and tear larger commercial kitchens do.

Lightweight:

A 3ft x 5ft mat weighs only 20 lbs which is easily handled and cleaned by any employee. This mat offers excellent comfort and abrasion resistance and because it is lightweight it can be removed nightly and cleaned, if so desired.

Beveled Edges:

This is a one-piece molded mat with beveled edges on all four sides which make this product easily wheel accessible.

Availability:

This 3ft by 5ft rubber floor mat is generally in stock in large quantities and will generally ship within 24 hours of placing an order.

California Prop 65:
