

# **“Diamond-Grip” Rubber Stair Mats**

Specifications  
August 2021

<u>Description:</u>	These affordable step mats are made with durable natural and recycled rubber materials. The diamond plate texture of these step mats add traction and simultaneously reduce the risk of slips and falls that could lead to serious injury. These stair tread mats are perfect for indoor or outdoor applications where all around safety and slip-resistance is needed.
<u>Material</u>	Natural and reclaimed rubber products
<u>Sizes:</u>	10" x 29.75", 2.5 lbs. per mat
<u>Thickness:</u>	3/16"-inch
<u>Available Colors:</u>	Black.
<u>Applications:</u>	Anti-Slip, commercial stairways, indoor stairs, outdoor stair cases
<u>Sustainable:</u>	Diamond Grip stair step mats are made from natural and recycled rubber materials which makes them a highly eco-friendly and affordable rubber product.
<u>Traction:</u>	The Diamond Grip texture of these stair mats offer excellent traction through its diamond-plated rubber surface. Rubber's high coefficient of friction is made more pronounced with this surface pattern. The embossed industrial diamond plate is designed for commercial spaces, pathways, and stairs with extensive foot-traffic.
<u>Safety:</u>	The added traction from the diamond grip texture of these stair mats increases safety by keeping feet firmly planted. Use these stair tread mats in areas with high foot traffic to help prevent dangerous accidents.
<u>Industrial Design:</u>	The diamond plate industrial aesthetic surface design is an excellent choice in rubber step mats for locations which want to convey this visual décor and feel. These products are preferred in commercial applications where multi-directional patterns are favored.
<u>Cleaning</u>	Since these products offer moderate chemical resistance, they can be cleaned with most common household cleaners. Strong, highly caustic cleaning solutions (e.g. bleach) are not recommended.
<u>Availability:</u>	In Stock.
<u>California Prop 65:</u>	 <b>WARNING:</b> Cancer and Reproductive Harm - <a href="http://www.P65Warnings.ca.gov">www.P65Warnings.ca.gov</a> .
