<u>Available Lengths:</u>	10ft, 25ft and 57ft rolls
<u>Thickness:</u>	2mm
<u>Weight:</u>	10ft. Roll- 18lbs 25ft. Roll- 41lbs 57ft. Roll- 90lbs
<u>Color:</u>	White Washed Oak
<u>Applications:</u>	Art Studios, Bathroom Flooring, Break Rooms, Clubhouses, Exercise Equipment Flooring, Flooring for a Basement, Garage Floor Coverings, Health Clubs, Home Gyms, Hotel Lobbies, Kitchen Flooring.
<u>What is PVC?</u>	PVC is a thermoplastic made of 57% chlorine (derived from industrial grade salt) and 43% carbon (derived predominantly from oil / gas via ethylene). It is less dependent than other polymers on crude oil or natural gas, which are nonrenewable, and hence can be regarded as a natural resource saving plastic.
<u>Ease of Installation:</u>	This PVC sheet flooring can easily be DIY installed by anyone using a double-sided tape.
<u>Affordability:</u>	(1) Lower product costs means that you pay less per square foot. (2) Little installation costs since it can be done by almost anyone using a 2-sided tape (3) Lower maintenance costs (4) Product with a longer life-span (5) Do-It-Yourself easy installation means no money spent on hiring outside help
<u>Subsurface:</u>	The subsurface of this PVC sheet flooring product is textured with a rough design so that it does a better job of staying in place on top of the base flooring it is laid on.
<u>Easy to Cut:</u>	Cutting this flooring product is an easy process. All you need is a utility knife with a sharp blade and a straightedge for more precise and straight cuts.
<u>Cape Cod Style:</u>	In modern culture it seems to have become an amorphous term, rather like “cottage”. A color palette of soft khaki and creamy floors, especially when accented with black fixtures or furniture. This conveys a warm, pleasant interior with light and dark color combinations making for a juxtaposed visual. If your space sees moisture then white-washed wood floors offer a warm and rustic appeal to your “Cape-Cod beach cottage” without the concern for wood floors weathering.

Cleaning:

This PVC flooring roll can be cleaned with most common household cleaners and degreasers. Caustic cleaning agents like bleach must be avoided.

Availability:

Terra-Flex flooring is always in stock and will generally ship the same day.
