<u>Applications:</u>	Anti-Slip Floor, Airport Entryways, Barns, Boat Docks, Boats, Car Shops, Concert Venue, Construction Sites, Commercial Door Mat, Colleges, Corridors, Cruises, Eco-Floors, Entrance Mat, Equipment Rental, Farms, Golf Courses, Grocery Stores, Hospital and Medical Buildings, Hotels, Heavy Duty Floor Mats, Inclines, Industrial Buildings, Lumber Yards, Malls, Mountain Resorts, No-Slip Mat Product, Outdoor Events, Outdoor Walkways, Outside Door Mat, Rubber Door Mat, Shop Matting, Ski Resorts, Snow & Ice, Special Events, Storerooms, Traction Flooring, Wet Areas
<u>Finger-Top Surface:</u>	The wave design of the Ultra-Scraper mat gives this mat excellent traction. This feature also helps to scrape away dirt and debris from the bottom of shoes and keep the interior of your interior space clean! The inherent coefficient of friction found in rubber allows the traction of this mat to excel even when wet or moist. The drainage holes also guarantee that moisture will not sit idly on the surface of the mat or compromise its traction capabilities.
<u>Eco-Mat:</u>	The Ultra-Scraper mat is a highly sustainable product made entirely of reclaimed rubber materials. Reclaimed are rubber products that are recycled, de-vulcanized and then used as raw materials. This makes these mats an extremely affordable and eco-friendly matting option.
<u>Drainage:</u>	The drainage holes in this mat allow for liquid to pass through them and away from the surface of the mat. This flow of liquids ensures that less moisture will make it into your indoor floors and that anyone who passes through your front door has secure footing.
<u>Safety:</u>	The Ultra-Scraper mats offer unrivaled safety due to their durability and traction. Rest assured that when you, your clients, or your guests visit that they will not lose their footing due to inclement weather as this mat will remain functional regardless of the season.
<u>Cleaning</u>	The resilient rubber surface resists common liquids and can be cleaned by any common commercial or household cleaning agents or hosed or mopped in outdoor applications. Once dried, the product can be reinstalled with ease.
<u>Availability:</u>	The Ultra Scraper mat is generally stocked and will ship within 24 hours.
